

Please stop Sinclair Broadcasting from airing "Stolen Honor." Such one-sided political programs do not serve the public interest.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. When large companies control the airwaves, democracy is harmed because only a few decide what the masses see. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
